

Summer Science Internships at the UVA Anheuser-Busch Coastal Research Center

Sponsored by:
The Nature Conservancy and the SLTER Program

Interns will work one-on-one with ABCRC staff and graduate students from UVA to assist in Environmental Science field research projects and have the opportunity to develop projects of their own.

**Earn Money

An information meeting is scheduled for 6:30 PM, Wednesday April 22nd and will be held at the ABCRC in Oyster. All applicants are required to attend. Parents are encouraged to attend the meeting to learn more about the program.

For more information contact your science teacher or Art Schwarzschild,
Program coordinator and Site Director of the ABCRC.
